

Li-Ming Hillman

UX/UI Designer

Eindhoven, NB, The Netherlands | +31 610732987 | liming@hillmanconsult.com | [LinkedIn](#)

Fourth-year HBO-ICT student with experience in UX/UI design and front-end development. Skilled in HTML, CSS, JavaScript, and Figma. Gained practical experience from projects throughout my education. Seeking a position where I can increase and apply my knowledge of User Experience and User Interface designing.

SKILLS

Technical: Figma, HTML, CSS, JS, StencilUS, Office 365 software

Professional: Leadership, problem-solving, communication, presenting, reflecting

EDUCATION

- **HBO:** ICT Media Design, Fontys Hogeschool **2022 - Present**
 - **HAVO:** Nature & Health, Dr. Knippenbergcollege **2017 – 2022**
-

PROJECTS

- **Equine Integration** **2025 - 2026**
Analyzed a broad and diverse user group with varying needs and distilled it into a clear target audience. Based on this audience's requirements, designed an interactive Figma prototype that presents both aggregated and detailed data in a modern and accessible way.
 - **Ministerie van Defensie** **2025 – 2025**
Conducted extensive research into component development and subsequently developed a prototype of a “stepper” component using StencilUS for the Fensie Design System.
 - **Het Hornemannhuis museum** **2024 –2025**
Created an interactive video that encourages visitors to reflect on the choices people had to make during World War II. Used vanilla HTML, CSS, and JavaScript, integrated with Node.js and WebSocket to enable communication between different devices.
 - **Maastricht UMC+** **2024 – 2024**
Performed a penetration test on the local network of MUMC+ and set up a phishing campaign to assess employees' susceptibility to phishing attacks. Gained experience working with virtual machines, Kali Linux, and Ubuntu.
-

SIDE JOBS

- **PowerSlim Food & Lifestyle** **2023 – Heden**
All-round warehouse employee
 - **Archipel Rinette** **2022 – 2022**
Elderly care
 - **Jumbo Supermarkt** **2020 -2021**
Shelve stocker
-
